## **Purchasing Protocol Bangladesh Shrimps**

---

The companies listed in the annex agree to use this protocol when purchasing shrimps from Bangladesh exporters.

Shrimps can only be purchased under the following conditions:

### **I. Accompanied Test Certificate**

Each consignment will be accompanied by a certificate issued by an independent accredited lab. (Singapore or Thailand)

This certificate will certify the absence of Chloramphenicol (limit of detection 0.3 ppb (ug/kg)) and Nitrofurantoin Metabolites (limit of detection 1 ppb (ug/kg))  
AOZ, AMOZ, SEM, AHD.

### **II. Settlement of payment**

Payment will be subject to health clearance by the authorities when entering the EU.

Rijswijk,

December 20th, 2006
